

General Information & Registration Form

1. Students from all schools are eligible to participate. **Register on-line using the registration link found at www.msinnovation.info/campinnovation** and then either mail the check for the fees or follow the instructions in the registration email to pay through PayPal our on-line pay system. You may also complete the registration form and mail it along with a check payable to the MathScience Innovation Center at 2401 Hartman Street, Richmond, VA 23223. **Please note that the \$100 check (or PayPal) for fees must be received at the MathScience Innovation Center before a student can be accepted in the class.**

2. Applications received by **June 18, 2013** will receive priority. Registrations will be continuously accepted until a class is filled. To enable us to respond more quickly, please provide an e-mail address. Your registration will be confirmed prior to the opening date by e-mail or U.S. mail and will be accompanied by specific instructions for the program. Remember, no refunds can be made after June 27, 2013 so please look carefully at your calendar!

3. You may take a morning class or afternoon class or you may take a morning class and an afternoon class. We provide an adult-supervised lunch time as well as a short "activity period" (at no additional charge) just after lunch. Students bring their own lunch. Snack machines and drink machines are available. There is a break time during mid-morning and mid-afternoon. Students may bring snacks from home or purchase from the machines.

4. Parents are responsible for transportation to and from the Center. Field trip transportation provided by school bus to and from the Center.

5. For additional information contact:

Debbie Mitchell: Phone 804.343.6525, Ext. 243
