read?

Celebrate Dr. Seuss during the entire month of March!

The 500 Hats of Bartholomew
Cubbins turns 75 this year!

Welcome to Seussville!

Dr. Seuss (aka Theodore Geisel) was born on March 2, 1904. During the course of his life, he was a writer, poet & cartoonist - although he is most widely known for writing 46 children's books.

This March, RES will be celebrating Reading Month by focusing on the life and works of Dr. Seuss. The entire school will read four of his most popular titles and dress up to represent each book on the last day of the selected week (see calendar).

Lessons Learned from Dr. Seuss

- Be a thinker of great things. "Oh, the things you can think up if only you try!"
- Don't put yourself in a box. You're only limited to your own imagination.
- Your voice counts. "A person's a person, no matter how small."
- Try it...you just might like it.
- Success is a journey and we all have our own paths.
